- **East – OH & WV** – Ohio & West Virginia
- **Mid – MI, MN, ND, WI** – Michigan, Minnesota, North Dakota & Wisconsin
- **South Coast – KY & TN** – Kentucky & Tennessee
- **South Coast – GA & SC** – Georgia & South Carolina

ACTIVE Super Regions Names & how driving distance is calculated

- California – how the crow flies
- Charleston, SC – actual driving distance
- Coastal WA – actual driving distance
- Delaware – actual driving distance
- Cape Cod – actual driving distance
- Bronx – how the crow flies
- Brooklyn – how the crow flies
- Manhattan – how the crow flies
- Queens – how the crow flies
- Long Island – how the crow flies
- Staten Island – how the crow flies
- Texarkana – how the crow flies
- New England – how the crow flies
- NYNJ – how the crow flies
- East – DC, MD, PA – how the crow flies
- Mid – IL & IN – how the crow flies
- Midwest – how the crow flies
- South Coast – AL, MS, AR – how the crow flies
- Upper – how the crow flies
- Alexandria, VA – actual driving distance
- Puerto Rico – actual driving distance
- Florida – actual driving distance
- Mass/RI – actual driving distance
- Australia – how the crow flies
- Canada – how the crow flies
- ARC PA Counties – actual driving distance
- Wilson County, TN – actual driving distance
- Mountain Ranch, CA – actual driving distance
- San Diego South Central – actual driving distance
- East – NC & VA – how the crow flies
- East – OH & WV – how the crow flies
- Mid – MI, MN, ND, WI – how the crow flies
- South Coast – KY & TN – how the crow flies
- South Coast – GA & SC – how the crow flies
